High-craft, 100% Solid Wood Floors
with an Innovative, Patented Twist

Solid Wood
3/4" Thick

A Lifetime of
Adaptability

Expertly
Made in USA

Absolute Perfection

- Move or replace any plank, any time
- Timeless beauty of natural wood grain
- Wide plank with satin finish standard
- Five fixed lengths make changes painless
- Eased edges emphasize the primary axis

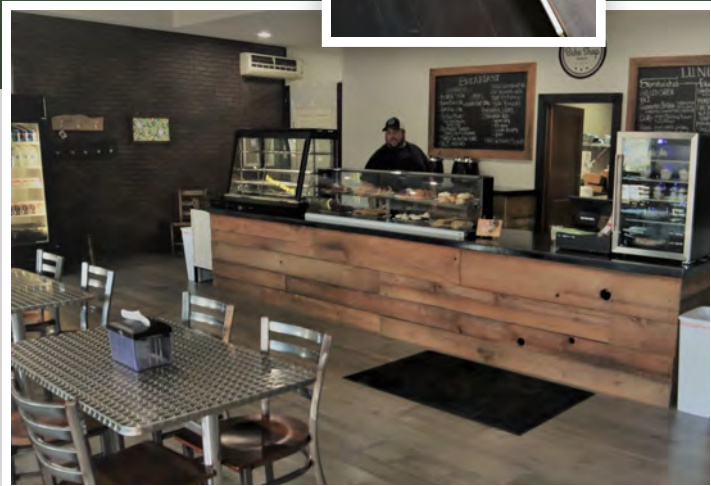

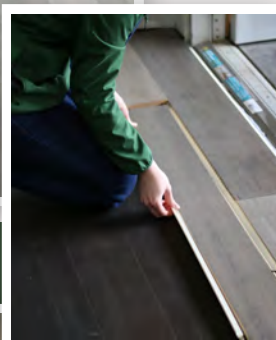

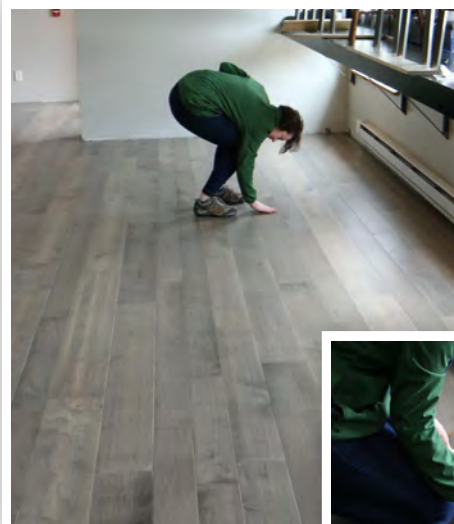

"I knew right then that we had picked the
perfect color" Andy, Bakery Owner

Innovative Solid
Wood Assembly

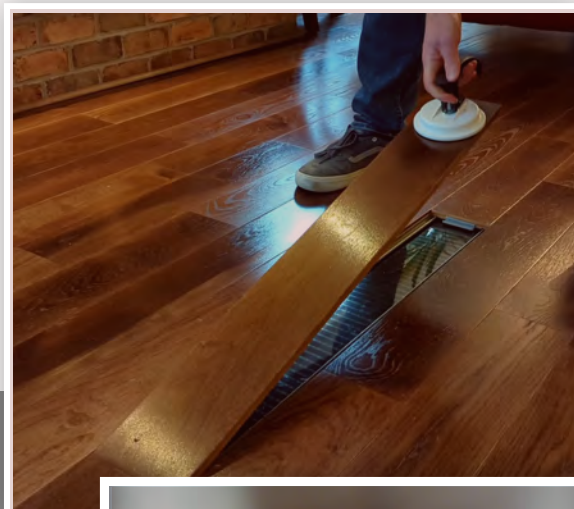

Easy to Adapt,
Repair & Remove

Professional or
DIY Assembly

Incredibly Flexible Wood Floors

- Assemble 3x faster, no nails or glue
- Completely floating assembly self-aligns
- Assemble on any subfloor, including concrete
- Remove planks anywhere, with a suction cup
- Five fixed lengths make swaps easy

"Steller was so easy that my son did a whole room by himself. That was great." Keating, Homeowner
